I request that Billy Burnett be excused from attendance at the hearing on Thursday. He has had to schedule a somewhat urgent appointment with his heart doctor due to some problems he has experienced recently. An appointment time was available Thursday with the next available time being later next week. The appointment is tentatively scheduled and could be changed if his appearance is critical.

Susan Mikell is an officer and part owner of CUC, Inc. having worked for the company since its inception in 1984. She has personally done the majority of the work for the company in the preparation of this matter, including having pre-filed her direct testimony.

I request that Susan Mikell be allowed to be the only witness to appear for CUC, Inc., and that she be allowed to adopt the pre-filed direct and rebuttal testimony of her father, Billy F. Burnett.

Thank you for your consideration of this request.
